

## Cisco Networking Academy ‘NetRiders’ National Skills contests

### Competition Background

NetRiders is the name given to a number of networking skills contests run for Cisco® Networking Academy® students targeted at CCNA level in EMEA, leading to 5 winners receiving a trip to Cisco’s HQ in California, USA.

Local contests are run by networking academies to prepare and feed students into National NetRiders contests run by Cisco. Three top representatives from each national NetRiders contest will move forward to join winners from other countries in a simultaneous international NetRiders contest on 7 July 2010 where there are 5 trips to visit Cisco’s HQ in California to be won.

### NetRiders Competitions - overview

- On-line contest using competition management software hosted by Cisco
- The competition website provides registration, embedded exam content, assessment and reporting functions
- The NetRiders competition tasks and questions will be targeted at CCNA level
